August 2019 VOL: 03

Dear Parents, Teachers and Students,

Look heavenwards and give thanks to the Almighty for all the mercies He has shown us on earth for as it is spoken in the scriptures that heaven will come down and glory will fill our souls. In the midst of the mundane activities of the world, we often fail to hear the voice of somebody who wants to be heard. I sincerely thank each and every one of you for donating books to the school library.

August is a month of deep reflections and thoughts about the hard – earned freedom from oppression that the patriots of our country struggled to obtain. Indians all over the world regard, 15th of August to be the diadem of glory – a record of unparalleled human sacrifice and selflessness. **“For freedom Christ has set us free; stand firm therefore, and do not submit again to the yoke of slavery.” (Galatians 5:1)**

The primary purpose of human birth is to manifest the Divinity within. When man does good deeds he is conscious of the divine power present within him.

Extra-Curricular Activity Inauguration

“Teach me, and I will forget, show me and I might remember, involve me and I will never forget.” Education plays a fundamental role in the making of a man and his development as a culturally well-developed social animal. To fulfil these objectives there is a prime need of striking a balance between syllabus, curriculum books and also co-curricular activities.
