December 2019 VOL: 07

Dear Parents, Teachers and Students,

"For Unto us a Child is born, unto us a Son is given... and His name shall be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace." - Isaiah 9: 6

We are heading into the last month of the year 2019. The chill winter season has set in. As we prepare to celebrate Christmas, let us remember the true essence of this celebration. It is not just about exchanging gifts, extravagant decorations and lavish celebrations but the true message of Christmas is hope, redemption, peace and love.

Christmas comes once in a year in to most people's thoughts, but if you have Christ in your heart, Christmas will live long. Therefore rejoice in the coming of the Saviour into our lives.

At the outset let me thank God Almighty and congratulate all of you for the splendid success of the Decennial year District Level Chess Tournament 2019, All CMI Interschool Meet and of course the Children's Day. I owe it all to you for giving me your precious time, support and co-operation for the smooth conduct of these mega events. May the Lord God bless each one of you abundantly.

CHILDREN'S DAY CELEBRATION

"There is no garden as beautiful as childhood." Every child is a different kind of flower; together they make this world a beautiful garden. A day marking childhood. Children's Day celebrations focus on children and their enjoyment. The day is celebrated to pay tribute to the legendary freedom fighter and our first Prime Minister Pandit Jawaharlal Nehru popularly known as Cha Cha. Our teachers gave various performances for the students in order to express their love and care for them. A skit on the importance of cleanliness was very entertaining.

The campus was buzzing with excitement and joy. The entire programme was appllapped by everybody present and will always remain etched in the memory of one and all.

KINDERGARTEN - TALENT SHOW 2K19

"Great ability develops and reveals itself increasingly with every new assignment". Young children have an ocean of hidden talent amongst them and it was displayed at Lisieux CMI Public School on 16th November, 2019 at the Talent Show – "*Mini Miracle*" competition. The main reason behind organizing these competitions is to nurture the intrinsic qualities of students and remove the fear of stage among students which helps in personality development too. The competition included following categories: Dance, Fancy Dress, Singing, Story telling and talent shows.

The student, dressed in colourful dresses were full of confidence and enthusiasm prior to their performances.

FIELD TRIP

Field trips are fun! You get to put down the books and pencils and drive to a new location with interesting things to see and experience. And more than likely there will be a restaurant meal in the schedule. But of course, field trips still provide learning opportunities as kids engage with historic sites or works of art in person. Even the most vivid living book can be supplemented by a real life experience. The things your children have only read about come alive as they are seen, heard or even felt during a field trip.
