JANUARY 2020 VOL: 08

Dear Parents, Teachers and Students,

“Do not neglect to show hospitality to strangers, for by this some have entertained angels without knowing it.”

- Hebrews 13:2

What a tremendous way to start your New Year. A time to say goodbye and a time to say hello. A time to bid farewell and a time to look forward. A time to let go and a time to learn new things, that is what happens when the New Year rings in. It's the time we create resolutions and try our best to stay with this. The end of the Year is neither an end nor a beginning but a going on, with all the wisdom that experience can instill in us. It's like the blank page of a book, you start afresh like a new chapter, waiting to be written. Alfred Lord Tennyson said – Hope smiles from the threshold of the year to come, whispering, - It will be happier. Yes I wish you all happy and prosperous days ahead!

This is the time when we throw open our doors of our homes and hearts and that is what Hospitality is all about. It can be defined as “the quality or character of receiving and treating guests and strangers in a warm, friendly, generous way.” In Greek the word “hospitality” literally means “love of strangers.” This is a virtue that is both commanded and commended throughout our Scriptures.

Hospitality is dying everywhere. We're all for ourselves these days and this should not be. We are to be there for the cares and needs of others and always put out a helping hand. A great example of hospitality is that of the Good Samaritan. When we serve others as faithful stewards of God's grace, especially people who are in need we are serving God. Offer hospitality to one another without grumbling. Hospitality is when someone feels at home in your presence. Our homes and apartments should stand constantly ready for strategic hospitality a readiness to welcome people. When love increases hospitality increases and thus the advancement of God's Kingdom increases. Wishing you all a Prosperous and Joyous Year ahead.
