Dear Parents, Teachers and Students,

“Through my education I didn’t just develop skills, I didn’t just develop the ability to learn, but I developed confidence.” **Michelle Obama.**

Being confident enough is very much important in this society. A person without confidence in anything may not be able to contribute to the society. Our school offers opportunities to the students. Our school assures to develop the confidence of students through extracurricular activities. Actually we the teachers are not just cutting down the jungles in the student minds but irrigating the desert! Finding out the impossibilities and make them possible! In this scenario, I am confident enough to acknowledge that our school is having a positive thrust of inspiring individually!

In the month of October, the International Day of Non-Violence is celebrated on 2nd to commemorate the birth anniversary of Mahatma Gandhi. Also we are celebrating Saraswathi Pooja and Vijaya Dashami or Dussehra which signifies the victory of good over evil. May all the evils in and around you vanish by virtue of the goodness in and around you.

Diwali Greetings!

May the festival of lights be the harbinger of joy and prosperity, as the holy occasion of Diwali is here and the atmosphere is filled with the spirit of mirth and love, here’s hoping this festival of beauty brings your way, bright sparkles of contentment, that stay with you through the days ahead.

Wishing our School Community a Very Happy Diwali...!
