Dear Parents, Teachers and Students,

“At the heart of silence is prayer. At the heart of prayer is faith. At the heart of life is service.” **Mother Teresa.**

As one looks back to the brilliant teachers with gratitude, let us appreciate those who touched our human feelings, channelized our lives to be better individuals with their service through love and patience. Parents are the first teachers, a teacher can be called a third parent. This month we honour those who play a pivotal role in our development as we celebrate Teachers day. I pray to God to bless both their personal and professional lives.

Transcending religious and caste barriers, we celebrate Onam. As we observe this unique festival – a celebration of hope towards prosperity and goodwill. I pray this season for people to live in tolerance, amicability and peace in these trying times of intolerance. Come September and Christians celebrate the birthday of Our Lady. Let us rejoice that the Mother of God is our Mother, too, call upon often to the Blessed Virgin as “Cause of our joy”, have recourse to Mary in all your necessities with perfect confidence. A happy feast and may God through Mary’s intercession grant you joy, hope, and peace in his amazing grace.

There is a saying that teachers are greater than the parents. Parents give birth to a child whereas teachers mould that child’s personalit and provide a bright future.

Hi Kids,

Indeed it was a beautiful way to wind up the first term replete with fun filled activities! September is brimming with celebrations both at home and at school. The light of the world, the beacon in the dark and the hope that gives us strength to survive, is our teacher. Lined up this month is our homage to the words – ‘Matha, Pitha, Guru – Deivam’, the reverence we give our ‘Gurus’ on Teacher’s Day. Beginning to prepare to surprise our teachers with all the decorations along with elaborate plays, essays and speeches is an event that leaves a mark in the memory.

Students across the country celebrate this day to pay thank their teachers. Teachers are the back bone of our society. They speak head change by shaping and building students’ personality and make them ideal citizens of the country. Happy Teachers Day!
